## GROUP SALES & EVENTS

### WE ARE SO EXCITED THAT YOU ARE CONSIDERING US FOR YOUR NEXT EVENT – THANK YOU!

We know that you have a lot of options, and we hope that we can start the process with some basic information so you can decide if you want to take the next step with us in planning your big event. Because Pindustry is a unique venue, we feel it is important to give you a snapshot on how we plan and strive to make your experience the best. Since our space is so large – we can accommodate groups as small as 20 and as large as 1800 – it is important for us to have as much information as possible so we can give you the most accurate quote. All our pricing is dependent on your group size, day of the week and time of day. We also have put in place some booking parameters to make this process as seamless as possible. All events will consist of a food and beverage minimum, activity charges and in some cases a space fee (more on that later) all this information will be clearly outlined on your proposal and can also be flushed out in more detail with your Event Sales Manager.

#### HOW TO PLAN EVENT AT PINDUSTRY

1. Select your date and time
2. Select your guest count
3. Decide on what activities to offer
4. Create a budget
5. Have a blast!
